PRODUCT OVERVIEW

Traditional Path Light - B301 Series

Our professional grade B301 LED low voltage landscape path lights are a solid heavy-duty brass fixture used to highlight walkways, pathways and themed areas. This is a compact / one-piece 6" lid featuring a top enclosed so the lid is always square. Our path light features a high hat style head with 360 degrees of light output, a 24" stem, and includes a heavy-duty ground stake. Our path lights are available in Black and Bronze color.

- Easy replacement of the G4 LED Lamp.
- Low energy consumption – Low Voltage LED Design.
- Water Tight Gasket Ring – Keeps water from entering housing.
- 190 Lumen of Light Output.
- Comes with (2) Silicone Filled Wire Connectors – Rated for direct burial and outdoor use.

PRODUCT DIMENSIONS

WARRANTY

- Tru-Scapes Lighting Sockets have a Lifetime Warranty.
- Light fixtures of brass, copper or stainless steel, aluminum, including finishes are warranted for five (5) years.
- LED Bulbs are warranted for five (5) years or 30,000 hours, whichever comes first.
- Stainless Steel, Painted and Weatherproof (plastic housing) transformers, excluding timers and photo cells, are warranted for five (5) years for the original purchaser.
- Tru-Scapes warranties do not cover plants that die or burn because of continuous light shined on them. This is not a defect, but the inherent nature of such plants. Certain acid loving plants such as arborvitae, pine trees, and others must not be exposed to light of any kind for more than 18 hours a day as these plants need time to sleep and allow photosynthesis to naturally occur.
- Low voltage landscape lighting fixture housings made of brass do naturally patina in color which is not a defect. (Please see www.Tru-Scapes.com for cleaning instructions.)
- See our full Warranty details at www.Tru-Scapes.com/faq.

CERTIFICATIONS

Indicates the product meets safety standards tested by Intertek.

Signifies the product has passed safety tests by Underwriters Laboratories.

Ensures the product is dust-tight and highly water-resistant.
