PRODUCT OVERVIEW

Concrete 6" Step Light — TSC-600C-BLK

The Tru-Scapes Concrete 6" Step Light TSC-600C is a durable and modern lighting solution designed for installation in concrete, paver, or stone applications. Its 6" size and color-changing LED capabilities make it ideal for illuminating steps, pathways, and patios. Built with energy-efficient technology and robust materials, the TSC-600C provides both style and functionality for enhancing outdoor spaces in residential and commercial settings.

- Made from durable aluminum and finished in black, the TSC-600c offers a modern, sleek look for any design.
- Low energy consumption - Low Voltage LED Design.

PRODUCT DIMENSIONS

WARRANTY

- Tru-Scapes Lighting Sockets have a Lifetime Warranty.
- Light fixtures of brass, copper or stainless steel, aluminum, including finishes are warranted for five (5) years.
- LED Bulbs are warranted for five (5) years or 30,000 hours, whichever comes first.
- Stainless Steel, Painted and Weatherproof (plastic housing) transformers, excluding timers and photo cells, are warranted for five (5) years for the original purchaser.
- Tru-Scapes warranties do not cover plants that die or burn because of continuous light shined on them. This is not a defect, but the inherent nature of such plants. Certain acid loving plants such as arborvitae, pine trees, and others must not be exposed to light of any kind for more than 18 hours a day as these plants need time to sleep and allow photosynthesis to naturally occur.
- Low voltage landscape lighting fixture housings made of brass do naturally patina in color which is not a defect. (Please see www.Tru-Scapes.com for cleaning instructions.)
- See our full Warranty details at www.Tru-Scapes.com/faq.

CERTIFICATIONS

Indicates the product meets safety standards tested by Intertek.

Ensures the product is dust-tight and highly water-resistant.
