PRODUCT OVERVIEW

Bluetooth Range Extender TS-EXT001-BLK

The Tru-Scapes® Bluetooth Range Extender (TS-EXT001-BLK) is a compact, plug-and-play solution designed to enhance connectivity across your Tru-Scapes color-changing lighting system. By strengthening the Bluetooth mesh network, it helps eliminate signal gaps in larger or obstructed landscapes. For optimal performance, install within a 30-foot radius of other Bluetooth-enabled color control lights.

FEATURES & BENEFITS

- Enhances Bluetooth range and communication between color-changing Tru-Scapes fixtures
- Ideal for large or complex installations where distance or obstacles may affect connectivity
- Installs in minutes using low-voltage landscape wiring
- Compact design allows discreet mounting within garden beds
- Works with Tru-Scapes Color Control App
- Low energy consumption - Low Voltage LED Design.
- Compatible with all Tru-Scapes Color Control lighting products
- Comes with (2) Silicone Filled Wire Connectors - Rated for direct burial and outdoor use.

PRODUCT DIMENSIONS

WARRANTY

- Tru-Scapes Lighting Sockets have a Lifetime Warranty.
- Light fixtures of brass, copper or stainless steel, aluminum, including finishes are warranted for five (5) years.
- LED Bulbs are warranted for five (5) years or 30,000 hours, whichever comes first.
- Stainless Steel, Painted and Weatherproof (plastic housing) transformers, excluding timers and photo cells, are warranted for five (5) years for the original purchaser.
- Tru-Scapes warranties do not cover plants that die or burn because of continuous light shined on them. This is not a defect, but the inherent nature of such plants. Certain acid loving plants such as arborvitae, pine trees, and others must not be exposed to light of any kind for more than 18 hours a day as these plants need time to sleep and allow photosynthesis to naturally occur.
- Low voltage landscape lighting fixture housings made of brass do naturally patina in color which is not a defect. (Please see www.Tru-Scapes.com for cleaning instructions.)
- See our full Warranty details at www.Tru-Scapes.com/faq.

CERTIFICATIONS

Indicates the product meets safety standards tested by Intertek.

Ensures the product is dust-tight and highly water-resistant.
